

Greetings from Gurgaon First!

Gurgaon First has launched Roundtable for Growth of Solar in Gurugram. The inaugural half a day Roundtable will be held on 24th March, 9:30 am at Ibis Hotel, Gurugram.

As you know, Haryana has a very progressive policy on solar and Gurugram in particular has a vast potential for solar growth. The Roundtable proposes to have government and regulatory agencies responsible for solar; solar industry players; RWA heads, Industrial association heads, NGOs, progressive citizens and Industry bodies in the Meet. The Roundtable will be held on a quarterly basis.

The Roundtable is meant to identify the bottlenecks and facilitate action. It is also meant to educate and instil confidence among all stakeholders. It will identify the missing links and enable on-the-ground action. Attendees will get access to all the stakeholders in the solar value chain.

A detailed brochure is attached along with.
